

There's Still Time!

Parents,

Your child recently brought home an order form showcasing his or her artwork! We have extended the ordering time so that you have until **Wednesday, October 18th** to place your online order for holiday delivery.

To place your online order go to <https://order.arttoremember.com> and enter your online code on the back of your order form.

Proceeds from this fundraiser will support our art program. Thank you for your order!
